Cocktail Safari Tour

Discover Minneapolis' best mixologists and enjoy their most colorful creations. The Twin Cities Cocktail Safari takes you on a gourmet cocktail adventure where you'll explore two different fine dining destinations throughout the evening. At each location you'll experience a cocktail flight of three different signature drinks unique to that establishment along with appetizers to share.

Your private limousine will transport you in style to each destination. Upon arrival you'll be escorted to your private, reserved table – no standing in lines. As soon as you're ready to explore your next destination, your chauffeur will be ready and waiting to take you on your next cocktail adventure. Package includes approximately 45 minutes of drive time either before or after the tour.
